

McNees Wallace & Nurick LLC Presents

LIVING IN HARMONY IN LANCASTER:

LAND PLANNING, DEVELOPMENT & CONSERVATION

Thursday, August 24, 2017

Clipper Magazine Stadium

50 North Prince Street • Lancaster, PA 17603

Lancaster County is one of the most beautiful counties in the United States. It is also one of the most diverse counties with respect to land use. It has a unique combination of family farms, businesses, manufacturing, rural communities, suburban communities, city living and space preservation. This panel of experts will explore the future of land use in Lancaster County and discuss how the various interests can live in harmony and preserve the very diverse and unique character of our county.

RSVP by August 20, 2017 to Karen Swaringen at 717.237.5430 or kswaringen@mcneeslaw.com
